- **1400 RPM max spin speed**
- **12 Wash Cycles**
- **15 Min. Quick Wash****
- **Super Speed Cycle**

Add Wash® Function

Now it's possible to add a forgotten piece of clothing or more conditioner after your wash cycle starts. Simply push the pause button, open the Add Door and place your items into the wash.

15 Min. Quick Wash**

This great wash program is designed to wash up to 2kg of lightly soiled laundry in only 15 minutes.

Smart Check Function^

In the unlikely event that your Smart Washer encounters a problem, Smart Check is an error-monitoring system which helps detect and diagnose some problems and provides quick and easy troubleshooting via your compatible Samsung Smartphone^.

^To access the Smart Check function, users must download the Samsung Smart Washer app to their compatible Smartphone. Internet connection required. Data charges may apply. This is available for Android and iOS. Smart Check™ is compatible with the Samsung Galaxy S3, S4 & S5, iPhone 4, 4S & 5. iPhone is a trademarks of Apple Inc., registered in the U.S. and other countries. iOS is a trademark of Cisco in the U.S. and other countries and is used under license.

**Cycle time can be adjusted for loads 2kg or less, with as little as 15 minutes for a complete wash cycle for lightly soiled laundry.

Wash 5kg in 59 mins.

Wash a load of laundry in under an hour with Samsung Super Speed Cycle. Powerful speed spray jets activate during the rinse to help ensure full coverage and a deep rinse. Auto load sensors helps ensure each wash gets a great result.

Digital Inverter Motor with 11 year parts warranty*

Low fuss for a long time – digital inverter motor with a 11 year parts warranty. The motor works without brushes, which helps to reduce the number of separate moving parts and friction, making for a low vibration motor with a quiet wash cycle.

#Using energy saving course, Cold Rinse 3, Extra High Spin, BubbleWash OFF or Energy saving course, 40C, Rinse 3, Extra High Spin BubbleWash OFF seven times per week in each case.

*11 Year parts warranty applies to Digital Inverter Motor only and is inclusive of 2 years Parts & Labour Manufacturers Warranty on the entire unit. See <http://www.samsung.com/au/support/warranty/> for further information.
