Pyroluxe™ Self Cleaning

SenseCook food sensor

OptiFlex™ telescopic runners

MaxiView™ enlarged window

IsoFront™ - A genuine cooler door

SoftMotion™ hinges

European A+ Class Energy Rating

Anti-fingerprint stainless steel

FloodLight™ system

BENEFITS

Add steam for crispier baking

The SteamBake button in this oven adds steam at the beginning of the baking process. The steam cooking keeps the dough moist on the surface to create a golden colour and tasty crust, while the centre stays soft and tender. In addition to baking crispy and tasty breads, muffins and pies - your roast chicken, grilled meats and lasagne will get equally delicious cooking results.

Pyroluxe™ Self Cleaning

The advanced self-cleaning function takes all the effort out of keeping your oven clean. By heating the oven to 500C, all food residue is turned to ash, which can then be simply wiped out with a damp cloth.

Rare. Medium. Well done. At your command with SenseCook Your personal sous chef. Use the Food Sensor to tell the oven how you want your dish cooked using just the words you would in a restaurant rare, medium, or well done. Without even opening the oven door, everything from tender joints of meat to molten chocolate fondants are controlled and mastered. At last, an oven that speaks your language.

SoftMotion™ Hinges

The AEG SoftMotion™ hinges remind the consumer of the quality of their oven every time they effortlessly open and close the door.

MaxiView™ Enlarged Window

The enlarged window on the door is 20% larger than previous models, so now you can see exactly what's happening throughout the entire cooking process.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Type of Oven	single Pyroluxe
Oven fuel	electric
Materials/Colour	anti-fingerprint stainless,black ceramic glass
Controls of Oven	retractable control knobs
Cooling fan	Yes

FLUSH FIT CUT OUT

Flush fit cut out height (mm)	600
Flush fit cut out width (mm)	600
Flush fit cut out depth (mm)	580

DIMENSIONS

PRODUCT DIMENSION

Total height (mm)	594
Total width (mm)	595
Total depth (mm)	567

MAIN OVEN

Gross capacity litres	77
Useable capacity litres	71
Oven function	Pyrolitic
Number of functions	10

SECOND OVEN OR GRILL

Fold down grill element	No
