

The 8kg washing machine with OKOMix technology, ProSense, Woolmark Green accredited, ProSteam and 1400rpm spin speed.

RRP AUS \$1,899.00

## Product Details

### FEATURES

---

#### OKOPower

Superior cleaning results at lower temperatures in just 59 minutes.

#### OKOInverter Motor

Similar to professional machines, the OKOInverter brushless inverter motor is quieter and can extend the working life of the motor whilst using less energy.

#### 5 Energy star rating

#### Time Save

Reduces your washing time up to 50% on certain programs for smaller loads saving you energy and time.

---

#### Silk and wool program

#### Anti-allergy program

#### Ultra quick program

Washes 3kg in just 20 minutes

#### Aqua Control System

Automatically shuts off the water inlet if a leak is detected in the hose.

---

#### XXL Door

The new XXL glass door has a larger opening, which makes loading and unloading laundry seamless.

---

### BENEFITS

---

#### Every fibre cleaned and protected

Advanced OKOMix technology blends detergents and then softeners with water before they enter the drum. This ensures that every fibre is cleaned and cared for with the right mix of detergent, even for shorter cycles. Every thread, every stitch, every fibre, expertly protected.

#### Caring for clothes, saving water and energy

ProSense technology intelligent sensors optimises and displays the estimated wash time within 30 seconds of starting the wash cycle. Whether it is a few shirts or your entire weekly laundry, the wash time, water and energy consumption adjust to ensure they are only washed for the exact amount of time required. This ensures that fabrics suffer less wear and tear, maintaining colour and texture.

---

Keeps your clothes looking and feeling impeccable

The steam refresh program enables you to refresh your garments without washing with detergent and water. This ensures less wear and tear on fibres so they can maintain their look and textures for longer.

The gentle way to care for wool

The Woolmark Green certification in washing will treat each item in the gentlest possible manner, meaning you can safely wash all of your hand wash only woollen garments.

## Terms and Conditions

### IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

### PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

### WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
