

80cm induction cooktop with TotalFlex, ActiveTouch, Hob2Hood, PowerBoost and Individual Zone Timer
RRP AUS \$5,399.00

Product Details

FEATURES

TotalFlex

TotalFlex allows you to place pans anywhere on the surface and it will respond to your movement.

ActiveTouch

With ActiveTouch, illuminated controls correspond to your pan placement for intuitive cooking.

Hob2Hood

Hob2Hood automatically adjusts your hood settings so you can focus on creating delicious dishes.

PowerBoost

PowerBoost provides an instant burst of heat that is perfect for boiling potatoes or searing steak.

Auto Pot Detection

Pot detection sensors illuminate the controls that match the cooking zone.

Pause Function

The pause function sets zones to the lowest setting to keep dishes warm and prevent overcooking.

Child lock

BENEFITS

COOK ANYWHERE ON THE SURFACE

TotalFlex provides you with the flexibility to cook several dishes at the same time. Once turned on, you can place, move and arrange pots and pans anywhere on its responsive glass surface and it will detect and respond to your movement for the best induction power.

INTUITIVE CONTROL AT A TOUCH

With ActiveTouch, the corresponding slider control automatically lights up when a pan is set down on the hob. All you need to do is select your desired temperature with the swipe of your finger, and enjoy intuitive cooking with delicious results.

A FRESHER KITCHEN. HANDS-FREE.

The wireless Hob2Hood function automatically adjusts your hood settings based on how you are cooking, leaving your hands free to focus on the food. The hood lights will automatically illuminate when your hob turns on and the fan speed will adjust depending on how powerfully you are cooking.

INSTANT BOIL

No more waiting around for pots to boil. PowerBoost provides an instant burst of heat that boils water in under 90 seconds, even faster than an electric kettle. Its perfect for high-heat tasks like boiling potatoes or searing steak.

WHY NOT HIT PAUSE

The pause function is useful if your cooking is interrupted. At the touch of a button all cooking zones will be reduced to the lowest heat setting to ensure dishes stay warm, but don't overcook.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Cooktop type	full induction
Materials/Colour	black
Trim finish	bevelled sides only

CONTROLS
