

8kg 6000 series front load washing machine with 1400 spin speed, ProSense, Woolmark Blue accreditation.

RRP AUS \$1,699.00

Product Details

FEATURES

ProSense Automatically adjusts time and energy consumption to suit individual loads.	Ultra quick program Washes 3kg in just 20 minutes	OKOInverter Motor Similar to professional machines, the OKOInverter brushless inverter motor is quieter and can extend the working life of the motor whilst using less energy.	Time Save Reduces your washing time up to 50% on certain programs for smaller loads saving you energy and time.
Aqua Control System Automatically shuts off the water inlet if a leak is detected in the hose.	XXL Door The new XXL glass door has a larger opening, which makes loading and unloading laundry seamless.	Silk and wool program	Anti-allergy program

BENEFITS

Caring for clothes, saving water and energy ProSense technology intelligent sensors optimises and displays the estimated wash time within 30 seconds of starting the wash cycle. Whether it is a few shirts or your entire weekly laundry, the wash time, water and energy consumption adjust to ensure they are only washed for the exact amount of time required. This ensures that fabrics suffer less wear and tear, maintaining colour and texture.	Keeps your clothes looking and feeling impeccable The steam refresh program enables you to refresh your garments without washing with detergent and water. This ensures less wear and tear on fibres so they can maintain their look and textures for longer.
The gentle way to care for wool The Woolmark Blue certification in both washing and drying will treat each item in the gentlest possible manner, meaning you can safely wash and dry all of your hand wash woollen garments.	

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	5
Front Loader Type	Front Loader
Capacity (Kg)	8
Frontloader Wash system	Advanced Wash Technology

ENERGY FOR WASHING

Water Efficiency Star Rating	4
WELS Registration Number	C01885
Water Consumption (litres)	77
Energy Efficiency Star Rating	4
Energy Consumption Warm (KWhr/yr)	320
Noise level dBA	51

DIMENSIONS

PRODUCT

Total height (mm)	850
Total width (mm)	600
Total depth (mm)	600
Depth with hoses (mm)	602

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

Electrolux Home Products warrants that for domestic applications the AEG appliances featured are free from defects in materials and workmanship for 5 years (3 months warranty for commercial applications). All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
