RRP AUS \$1,699.00

Product Details

FEATURES

Available in 3 different configurations	Designed for outdoor use	Cantilevered, adjustable wire shelving	Electronic touch controls
LED illumination	Self closing, lockable doors	Frost free system with auto defrost	Insulated & heated double glazed glass doors with stainless steel frame
IPX4 Rating			

BENEFITS

Available in 2 different configurations The Beefeater outdoor display fridge is available in single or double door variants.	Designed for outdoor use The Beefeater cabinet has been tested to 43C in the shade and has a 304 grade stainless steel finish, making it ideal for usage in an outdoor environment.
Cantilevered, adjustable wire shelving The adjustable wire shelves are easy to clean.	Electronic touch controls The external electronic controls allow you to set the temperature for your cabinet at the touch of a button, with a temperature range of -2C to 8C.
LED illumination Bright LED lighting illuminates all of your refrigerated products for easy visibility.	Self closing, lockable doors
Frost free system with auto defrost	Insulated & heated double glazed glass doors with stainless steel frame Perfect for entertaining, the glass display allows you to see all of your drinks at a glance while the heated doors prevents condensation for even better visibility.

IPX4 Rating

The cabinet is protected against splashes of water for at least 5 minutes, making it perfect for use within a built-in outdoor kitchen.
