

Pet Hair Eraser Turbo | 2454F

Powerful pet hair pickup in a lightweight and agile design.

At BISSELL®, we know pets can make a mess at any moment – that's why we created the Pet Hair Eraser® Turbo Vacuum. It doesn't matter if you vacuumed just hours before Fido left behind a trail of fur, you need to be ready for any mess at any moment. The Pet Hair Eraser® Turbo Vacuum Cleaner comes with powerful pickup packed into a lightweight and agile machine for easy and convenient everyday cleanup. Enjoy the Quick Release Extension Wand which is always on and always ready to tackle those tricky, hard-to-reach pet messes around the home. Plus, with features like the Tangle-Free Brush Roll and a Hands-Free Empty Dirt Tank, you don't have to worry about cleaning your vacuum after you've cleaned your home. You can also breathe easy with the Smart Seal® Allergen System that traps dirt and allergens and eliminates odors so you can enjoy a fresher, cleaner home.

- Tangle-Free Brush Roll eliminates annoying hair wrap
- Hands-Free Empty with Cyclonic Pet Hair Spooling System™ means you no longer have to touch the yuck
- Quick Release Extension Wand is always ready, always on
- Reach more messes with specialized pet tools like the LED Lighted Crevice Tool, Pet TurboEraser® Tool and 2-in-1 Pet Dusting Brush
- SmartSeal® Allergen System traps dust and allergens while eliminating odors to freshen your home as you clean
- Edge-to-edge suction gives you powerful cleaning where it matters most, along edges and baseboards
- 2-year limited warranty
