Rear Waste Position

Benefits

Elegant SILGRANIT™ design impresses with its timeless, straight lined bowl geometry which will suit all types of kitchen products and worktops.

SILGRANIT™ PuraDur™ consists of 80% granite, which makes it unbeatably resilient, extremely durable, scratch resistant, heat resistant, unbreakable and acid resistant.

A patented formula that acts as a shield against dirt and bacteria. This hygiene protection reduces bacteria growth by an average of 98%.

Due to the smallest possible radii of 10mm it allows for a large sink area and a modern classy look.

No additional costs after purchase.

Increases your storage space below the sink.
