the Re-Fresha™ Kit

Mini Dehumidifier + Drying Base

Product Description:

Introducing the new Breville mini dehumidifier kit, a dehumidification solution for small and compact spaces. The Re-Fresha™ Kit comes with a mini dehumidifier and drying base, which can be used again and again, making it the perfect reusable moisture absorber. There is also the option of purchasing the Re-Fresha™ Add On mini dehumidifier so you can place multiple units throughout the home at the same time.

- **Prevents mould and odours caused from damp in enclosed spaces, including:**
 - Near electronic items
 - Wardrobes & closets
 - Drawers & cupboards
 - Suitcases & handbags
 - Other enclosed storage spaces
- **Auto-detect drying base;** Operates only when unit is placed on the base
- **Easy-view moisture absorption status window;** Colour indicates when to place on the base to dry
- **2 hour drying cycle with auto off.**
- **Elastic cord included;** For hanging in closets or cupboards
- **360° air inlet design;** Absorbs moisture more efficiently.
- **No particles or chemicals emitted;** Safe to use around children and pets
- **Energy efficient;** No electricity needed to dehumidify, and 2 hours needed on the low 45 watt base to dry.
