## COFFEE STYLED TO ANY OCCASION

### ENHANCED COFFEE FLAVOUR

Precise grinding with 8 grind settings, 3 infusion temperatures, single wall filters for up to 20 g of coffee and active temperature control for perfect coffee extraction.

### FROTHING LIKE A PRO

Powerful My Latte Art steam wand creates the ideal microfoam, so you can experiment with authentic milk creations.

### BARISTA KIT

Tamping mat for ideal stability, dosing funnel to avoid coffee spilling and stainless steel professional tamper for precision tamping just like a barista.

La Specialista Arte allows the coffee explorer to enjoy the art of making coffee, effortlessly. Be the barista in your own home, with a simple and authentic process from grinding, dosing tamping and texturing. A complete set of barista accessories and exclusive technologies puts you in control, achieving in-cup results that perfectly match your personal taste.

Pre-set beverages at your fingertips: Espresso, Long Black, and hot water to further personalise coffee beverages. A professional metal tamper, a tamping mat, dosing & tamping guide, a milk jug, two sizes single-wall filters; all the barista accessories to practice and experiment with your perfect taste, together with De'Longhi finest technology.

Take complete control of the coffee-making process thanks to 8 grind settings, 3 temperature control and the My Latte Art Steam wand to create the perfect milk texture. All features, to allow the ideal coffee extraction, matching your taste with your favourite coffee beans.

Its compact and unique stylish design has been created to suit all lifestyles and kitchen spaces, the perfect compromise between performance and convenience, all packed with this compact and beautifully designed coffee machine.
