CENTRIFUSION™

With this new brewing technology, the capsule spins up to 7,000 rotations per minute, blending ground coffee with water

BLEND-SPECIFIC BREWING

The machine delivers the optimal in-cup results for each blend using capsule-specific brewing with barcode reading technology

VERTUOLINE CAPSULES

VertuoLine capsules come in 2 sizes (Small, Large) which suit the 3 cup sizes available: Espresso, Coffee and Alto

DELUXE VERSION

The Deluxe version offers a larger water tank (1.7 liters) and precious metal details
