

- 2200W Power
- Safety thermostat - turns off if overheating
- Anti frost function activates below 5°C
- Pilot Light
- Removable and washable anti-dust filter
- Cool Touch Handle Safe to move
- Cord storage

### SILENT+

Extra Silent system with only 37dB at minimum heating power making this heater extremely silent and ideal to use.

### ECO PLUS

Exclusive ECO PLUS function which allows energy consumption to be optimised and guarantees the correct level of comfort. A simple button regulates power flow and temperature level.

### TOUCH CONTROL

Easy to use soft touch control panel with all options included for an immediate use.

### CERAMIC TECHNOLOGY

The safe and efficient ceramic heating element provides fast and powerful spot-heat, due to the self-regulating heat output of the ceramic element.

### SAFETY TILT SWITCH

Safety Tilt Switch turns off appliance when tipped over for maximum safety.
