Cyclonic airflow action, with mesh and micro filtration.

Crevice Tool
This flexible tool with the detachable brush head enables you to reach into corners and narrow spaces

Aluminum frame

Up to 53 minute run-time on low setting

5 Step filtration

BENEFITS

Multiple floors, less time
The versatile multi-floor nozzle means this vacuum is equally comfortable on carpet, wood, tiles, skirting and more, meaning you won't have to fumble with switching nozzles between zones in your home.

Well spotted
The powerful 7 LED headlights help detect dirt in those hard-to-reach or dimly lit places, like cupboard corners and under beds and couches, so you won't discover you've missed a spot again.

Get a grip. Then keep it.
You'll hand it to this comfortable ergonomic grip. The intuitive design safely positions your hands and wrists so they won't fatigue, plus, the one-touch on-switch means no constant holding required.

Stand by me
You can park the PQ91 anywhere, thanks to its self-standing sleek design, which makes it easy to use, control, pause mid-clean and store away.

Superior run-time
Whether a weekly sweep, or an intense deep clean, you can rely on the 53 minute run-time*. With the powerful 25.2V battery, three power settings and intuitive memory function, your household chores will be over, quicker. *Run time based on low power setting.

Nothing untouched
Now you really can keep every inch of your house squeaky clean. The ultra-responsive full-tilt design matched with the slim frame, makes for easy cleaning of traditionally hard-to-get places like stairs, corners and under furniture as low as 140mm.

Low noise, no fuss

More white noise than roar, the handheld unit offers high performance at a lower volume than traditional vacuums. Featuring a smooth airflow design and muted exhaust, you can use it any time of the day or night, without disturbing your household.

Start to finish high performance

Never lose suction again. The supercharged cyclonic system that separates dirt from air, guarantees a consistent clean from start to finish even as the dustbin fills up.

Glide and go

Manage unexpected messes on multiple surfaces with this reliable charging design. For a hassle-free clean every time, just grab from the easy glide magnetic cordless charge station and go.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
