

WH7560P2
**Front Loader Washing
 Machine, 7.5kg WashSmart™**

—
 This Fisher & Paykel 7.5kg front loader washing machine cares for every type of load with 13 different wash cycles from Delicates to Bulky.

White

Dimensions

Depth	590mm
Height	A 850mm
Width	B 600mm

Features & Benefits

Quiet performer

SmartDrive™ uses a direct drive motor removing the need for belts, pulleys and the traditional block designed to hold down the machine. Without these heavy components, there are less vibrations for a quieter wash.

Add a Garment

Missed an item from your wash? Our Add a Garment function allows you to pause your wash cycle, open the door and add or remove items, then carry on washing.

Quick wash cycles

Vortex Wash speeds up the cleaning process so most cycles take less than an hour to complete. During the tumble action, water is forced from the bottom of the drum up through your clothes so detergent and heat reach your fabric faster.

Easy to use

This machine has a cycle to suit every load type including delicates, sportswear and woollens. Select a cycle with the easy to use SmartTouch™ control dial.

Energy efficient

Our front loaders can be installed with both hot and cold water inlets allowing for better energy efficiency and quicker wash cycles. Cold water can be heated within the washer or hot water can be drawn directly from your plumbing.

Timed dispenser

A liquid dispenser ensures detergent is distributed at exactly the right time in the cycle to optimise wash performance.

Specifications

Consumption

Annual Energy Consumption	285 kWh/year
Energy rating	4
Water Consumption l/cycle	64 L
Water rating	4.5

Main Features

Capacity (dry load)	7.5 kg
Noise (spin)	58 dBA
Noise (wash)	49 dBA
