BENEFITS

Hot/cool in no time
This window/wall model gives you the comfort of reverse cycle air conditioning without the need for expensive installation

Take whatever the weather can dish out
Kelvinator air conditioners are built for the harsh Australian climate. Corrosion resistance on both the indoor and outdoor units ensures your air conditioner will last, whether you live on the coast or in the country.

Control from your armchair
The remote control unit lets you conveniently control all functions

Fresh air delivery
The fresh air return provides additional ventilation to your room and can also assist in humidity control. The easy-to-service dust filter removes dust and other larger airborne particles for cleaner air.
