## HMP50.000BK – Quickmix+

QuickMix+, a performant and premium hand mixer, perfect for home baking. Its powerful, yet quiet 650w DC motor makes every recipe a pleasure, whilst its slow start speed, variable speed control and integrated pulse function keep you firmly in control, couple this with the comfortable SureGrip handle, and any recipe becomes a breeze. The unique SureEject tool release located on the nose of the mixer means you wont accidentally eject the beaters during use, whilst the cord wrap makes QuickMix+ quick and simple to store and use.

### What's in the box?
