

# Chef Elite XL: KVL6300S

RRP \$899.00

Kenwood, the kitchen appliance expert, reveal the new CHEF Elite XL — the perfect kitchen essential for the passionate kitchen enthusiast looking to create delicious dishes.

CHEF Elite enables the utmost in cooking precision as it thoroughly combines every ingredient inside the bowl, including all the mix that would otherwise stick around the sides and the base. This gives you a consistent mixture and better results and control over every last detail. CHEF Elite guarantees the very best textures and flavours that will be appreciated time after time.

## 1400W

- Planetary mix action, maintains speed and power even under heavy loads

## 6.7 L mixing bowl

- Large capacity, elegantly flared, brushed stainless steel bowl with handles

## 5 stainless steel SYSTEMPRO bowl tools

- Flat K-beater
- Power Whisk
- Spiral Dough hook
- Creaming Beater
- Folding Tool

## Splashguard

- One piece style, easily fitted. Extra wide feed chute to add ingredient during mixing

## Electronic speed control with indicator

- Variable speeds + pulse + fold functions
