

# 520W 5.1.2ch Dolby Atmos Wi-Fi Sound Bar

**SN9YG**  
Product Sheet

## Meridian

We've partnered with Meridian, the pioneers of high resolution audio, to bring you heart-stopping, high-fidelity sound from this sleek, beautifully-designed Sound Bar.

## Dolby Atmos® and DTS:X

Dolby Atmos® produces rich, atmospheric sound quality that delivers textured layers of detail and depth for a truly immersive experience. You'll feel like you're inside the action as the sounds of people, places, things, and music come alive with breathtaking realism.

Enjoy voice-controlled access to the search power of Google Assistant via your SN9YG Sound Bar\*. Get answers, play your favourite content and make everyday tasks easier with a simple "Hey, Google!"

## AI Room Calibration

Experience the optimum sound from your TV, thanks to the room calibration feature in your SN9YG. It uses the Google Home and LG Wi-Fi Speaker apps^ to calculate the optimum sound based on the size and shape of the room, so the audio always sounds brilliant.

\*AI room calibration requires Google Home, LG Wi-Fi speakers apps and compatible smart phone.

## eARC

HDMI eARC (Enhanced Audio Return Channel) allows the highest quality (lossless) audio from Dolby Atmos and DTS:X, sent via one HDMI cable from compatible eARC TVs.

\*HDMI cable required (sold separately)

## Great sound for your cinematic experience

Enhance your TV experience with the heart-stopping audio power of the SN9YG. Designed in partnership with Meridian and featuring the rich, immersive qualities of Dolby Atmos® as well as AI Room Calibration, the sound is breath-takingly cinematic. Plus, this beautifully designed Sound Bar has the extra convenience of voice-controlled Google Assistant built in.
