## Less mess vacuum trimmer

### Philips' No. 1 in tidy trimming

Trim your beard, moustache and sideburns while keeping tidy. The new Philips Vacuum Trimmer has an improved, high performance system with 50% stronger\* airflow. It captures cut hair effectively, giving you a mess-free trim.

#### Less mess vacuum trimmer

- Optimized airflow for a mess-free trim

#### Even trimming results

- Guides low-lying hairs towards the blades for an even trim
- Self-sharpening metal blades are precise even without oiling
- Click-on precision trimmer for perfect edges and details

#### Easy to use

- 20 lock-in length settings, 0,5 - 10mm with 0,5mm precision
- Up to 75 min runtime after a 1 hour charge, or plug it in
- Quickly see the status of your trimmer's battery
- Just empty the chamber and rinse the blades under water
- 2 year warranty, worldwide voltage, no oil needed

# Highlights

## High performance vacuum system

The new Philips Vacuum Trimmer comes with 50% stronger, improved airflow\*. The powerful vacuum captures up to 95% of cut hair\*\*, giving you a mess-free trim.

## Lift & Trim PRO system

Trim your stubble in one stroke with our innovative Lift & Trim PRO system. It lifts low-lying hairs and guides them towards the sharp metal blades for a precise cut.

## Self-sharpening metal blades

The stainless steel blades are double-sharpened, cutting even the thickest hair precisely. They sharpen themselves by lightly brushing against each other, so no replacement or oiling is needed throughout your trimmer's lifetime.

## 20 lock-in length settings

Select your preferred trim length by simply turning the zoom wheel on the handle until the length you want is displayed from 0,5 - 10mm with 0,5mm precision. Your chosen length is now "locked in" for a perfectly even trim.

## Precision trimmer

Trim your moustache or define details and edges in hard to reach areas with the click-on precision trimmer.

## 75 min corded/cordless use

Charge your beard trimmer for 1 hour to get up to 75 minutes of cordless use, or simply use it plugged into the wall. Otherwise the quick charge function gives you a full trim after just 5 minutes of charging.

## Battery indicator

The battery indicator shows when your trimmer's battery is empty, charging, or full.

## Easy to clean

Once you are done trimming, simply remove the blades by pulling them up, rinse the blades and comb under the tap, empty the hair chamber and brush away any loose hairs with the added cleaning brush for long-lasting performance.
