

9 kg AI-Enabled Heatpump Dryer (DV90T8440SH/SA)

Topline key features / benefits

1. Personalised AI settings
2. 9-star energy rating
3. Hygiene Care+ cycle
4. Intelligent AI Dry cycle
5. Quick Dry & Super Speed cycles
6. AirWash Refresh
7. Silent Dry cycle
8. Advanced 2-in-1 Filter
9. Reversible door

Key features & message hierarchy

Make drying your clothes smarter and more personalised

Laundry day can be less of a chore using your AI-Pattern for the most preferred and frequently used settings. It helps save time with personalised display via machine learning that reflects changes in your lifestyle, usage pattern and seasonalities.

9-star energy efficient drying

Heatpump technology offers an efficient, cost-effective and gentle way to dry clothes with A+++ energy rating.

Removes up to 99.9% of certain bacteria¹ with Steam Cycle

Use the power of steam to sanitise both your wet and dry clothes with the Hygiene Care cycle that reduces up to 99.9% of certain common bacteria¹.

Intelligent drying

Enjoy quick and more precise drying² with AI Dry technology with 8 sensors. By continually sensing the temperature and humidity of the clothes in the drum it intelligently controls and optimises drying performance while being gentle on clothes.

35 mins Quick Dry³ and 81 min Super Speed dry cycles⁴

No time to waste? Get your clothes dry and ready to wear quickly with the 35 mins Quick Dry² cycle for small loads while the Super Speed cycle can dry a mixed load of cottons and synthetics up to 3Kg in 81 mins³.

DISCLAIMERS

1. Based on independent testing by Intertek, by testing samples of applicable models to Samsung-defined test protocol. Individual results may vary.
2. Compared to dryer models not featuring AI Dry
3. Limited to loads of less than 1 kg. Results may vary depending on the type of fabric.
4. Tested on an IEC standard load of 3kg. Cycle duration may vary depending on the water supply and weight/type of laundry.

Personalisations using A.I & SmartThings

Personalised dry cycles

A dryer that knows you! With AI-Pattern, your preferred drying cycles will be learnt, remembered and displayed according to frequency of use via Machine learning which kicks in after the first 10 uses⁴

Personalised display panel

AI Control Panel is designed to display your most frequently used drying cycles at the top, making it easy for anyone to operate the dryer. It can also curate your cycle options via My Cycle on the machine and via SmartThings⁵.

AI-Cycle Link⁶

Perfectly matched with Samsung's AI-enabled washing machines, both the washing machine and dryer will work hand in hand using wi-fi to give you optimised results. It enables both machines to communicate with each other so you don't have to set additional instructions after the wash is complete.

Real-time optimisations with SmartThings⁵

Plan your day to suit you and not your dryer. With intelligent location based recommendations⁷, you can start, stop and set the optimum wash cycle with SmartThings app.

SmartThings - Your Personal Laundry Assistant⁵

Get the most from your washing machine. 'Laundry Recipe' acts as your personal laundry expert and recommends the optimal cycle while the 'Laundry Planner' curates your daily laundry schedule to help manage finish times. With the 'Home Care Wizard' help maintain your machine's optimal performance by remotely identifying problems and providing quick troubleshooting service.

Additional key features & benefits

Refresh clothes with Air Wash⁸

AirWash technology helps to deodorise and refresh your clothes between washes. Using just heated air, unpleasant odours can be removed without water, detergent or other chemicals.

Silent Dry

The Silent Dry design has an integrated noise reduction system to help you do your laundry without disturbing neighbours or waking children at night.

One-step cleaning

Advanced 2-in-1 Filter with a two-layered mesh filter collects lint in one location for easy 1-step cleaning

Reversible door

Choose the direction the door swings open to suit any laundry layout or preference. Simply change which side the door is hinged from for maximum convenience, whether stacked or next to the washing machine.

DISCLAIMERS:

4. Before 10 uses, the list will remain in its default sequence. Cycle suggestions continuously evolve according to usage patterns.

5. Available on Android and iOS devices. A Wi-Fi connection, a Samsung account and download of Samsung SmartThings app are required. Data charges may apply.

6. AI Cycle link will work when enabled on SmartThings with washer and dryer connected to Wi-Fi.

7. 'Going Out' mode is only available via SmartThings and with these settings— Delay End Set, Smart Control On and when user exits geo fence set up.

8. Limited to 1 kg.

SPECIFICATIONS

Model Code	DV90T8440SH
Material Code	DV90T8440SH/SA
EAN Code	8806090761089
RRP	\$1899
Launch Date	Oct 2020

FORMAT

Type	Heat Pump
Washing Capacity (kg)	9 kg

DESIGN

Body Colour	White
Door Colour	Black
Panel Display	AI-Enabled

PERFORMANCE

Energy Rating	9 stars
Energy Consumption (annual)	129 kWh

PHYSICAL SPECIFICATION – excl. packaging & inc. door & hoses

Net Dimension (WxHxD) – incl. hoses	600 x 850 x 660 mm
Net Dimension (WxHxD)	600 x 850 x 610 mm
Net Weight	54 kg
Drum Material	Stainless Steel

FEATURE

Interior Drum Light	Yes
Smart Control	Yes
Child lock	Yes
Drum Type	Diamond
Dry Level	4 levels
Drying Rack	Yes
Drying Time Selector	Yes
Mixed Load Bell / Damp Alert	Yes
