

# DiamondForce™ Brekky & Banquet™ Frypan & Skillet Set

*Sunbeam*

Product Name	DiamondForce™ Brekky & Banquet™ Frypan & Skillet Set
Product Code (Model Number)	PUM4000DF
Short Description	<p>"Experience the DiamondForce™ advantage in Sunbeam's Electric Cookware Range for advanced non-stick cooking performance. The DiamondForce™ non-stick coating uses a unique, diamond-infused coating on the base of each pan that creates a non-stick coating that is 2x more durable* than traditional non-stick.</p> <p>*Scratch tested vs traditional non-stick coating"</p>
	<p>With two DiamondForce™ pans in the DiamondForce™ Frypan &amp; Skillet Set, enjoy all the breakfast and banquet essentials you'll ever need.</p> <p>Engineered diamond particles in the base of each pan create a unique and strong interlocking matrix, bonding the layers together and creating a coating that's two times more durable* than traditional non-stick cookware.</p>
Long Description	<p>Powered by a cast-in heating element, the DiamondForce™ Frypan &amp; Skillet are controlled by a thermostat to provide accurate cooking temperatures – they also keep your food warm while you're busy entertaining. Serve a banquet of meals through the DiamondForce™ Banquet Frypan with its deep cooking surface, or turn your 25cm Skillet into a compact oven through the high-domed metal lid. The possibilities are endless!</p> <p>Experience the DiamondForce™ advantage today.</p> <p>*Scratch tested vs traditional non-stick coating</p>
EAN	9311445034620
Key Feature 1	<p>DiamondForce™ non-stick coating</p> <p>Designed and reinforced with a diamond-infused two-layer coating, DiamondForce™ is an innovation in non-stick coating technology. The engineered diamond particles create a unique and strong interlocking matrix creating a tougher coating that is two times more durable* than traditional non-stick coating.</p>
Key Feature 2	<p>Easy Clean</p> <p>The DiamondForce™ coating advantage with advanced non-stick performance provides superior food release, requiring little to no oil when cooking food and easy wipe clean up.</p>
Key Feature 3	<p>Accurate temperature cooking</p> <p>The Sunbeam DiamondForce™ Frypan, powered by a 2400 watt element and the Skillet's 1200 watt element is cast in the heavy duty base for fast heat up, superior heat transfer and even heat distribution for excellent cooking results.</p>
Key Feature 4	<p>Clever cooking</p> <p>The Frypan's built-in Tilt and Baste lever tilts the frypan to allow hands-free basting, draining of fats whilst cooking, as well as easy serving of meals. The Skillet with multiple heat settings gives controlled temperature for versatile cooking - from simmer to saute, searing and roasting.</p>
