

SAP0950WH Sunbeam Fresh Control™ Air Purifier

1. PRODUCT DETAILS	
Product Name	Sunbeam Fresh Control™ Air Purifier
Model Number	SAP0950WH
Short Description	The Sunbeam Fresh Control™ Air Purifier features an air quality sensor with LED indicator for peace-of-mind that you're breathing clean air.
Long Description	Designed for small rooms up to 30m ² , gauge indoor air quality and see progressive improvement as the 4-stage air purification system captures airborne particles, allergens and gases. Easily select your fan and timer settings as well as activate the optional ioniser through an intuitive LED touch screen control panel.
EAN	9313139335266
Key Feature 1	AIR QUALITY SENSOR WITH LED LIGHT INDICATOR An LED light indicator displays the air quality status as gauged by a built-in sensor - blue for good, yellow for fair, and red for poor
Key Feature 2	4-STAGE PURIFICATION: (1) A pre-filter captures larger particles; (2) a True HEPA filter removes smaller particles and allergens; (3) a carbon filter absorbs odours and gases; (4) and an optional ioniser traps and eliminates remaining airborne particles.
Key Feature 3	TRUE HEPA FILTER Effectively removes 99.97% of allergens and fine particles as small as 0.3 microns that pass through the filter, freeing your indoor air of dust, pollen, pet dander and mould spores.
Key Feature 4	OPTIONAL IONISER Negative ions released by the purifier bind with remaining airborne pollutants. The filter captures the bound particles, effectively eliminating these from the air you breathe.
Key Feature 5	EFFECTIVE IN MOST ROOMS Designed to purify air in rooms up to 30 m ² . Great for the average sized bedroom, lounge room, study or dining room.
Key Feature 6	3 FAN SPEEDS PLUS AUTO MODE Select your preferred setting with quiet mode on the lowest fan speed. On Auto Mode, the purifier auto-selects the speed required for the ideal indoor air quality.
Key Feature 7	QUIET MOTOR The motor is designed for minimal noise at low-speed setting, giving you clean air without disrupting your sleep.
Colour	White
Construction/Finish	Plastic
Net Product Dimensions L x W x H (mm)	210 x 210 x 315
Net Weight (kg)	2.20 kg
Gross Weight (kg)	2.82 kg
Warranty Duration (Months)	12
Warranty Type	Replacement
Works With (for accessory items)	SAPF360D Replacement Filter
Speed settings	3 + Auto
Room Coverage	Up to 30 m ²
Noise level on high speed	<55 db(A)
Noise level on low speed	<35 db(A)
Timer	2, 4, 8 Hr
Quiet motor	Yes
TRUE HEPA FILTER	Yes
Filtration system	3 stage filtration
Air Quality Sensor	Yes
Ioniser	Yes
Filter replacement indicator	YES
Wattage	30W
