Peak Audio Power: 540W	Bluetooth Wireless Music Streaming	HDMI ARC and HDMI Input	Ideal for 55" TV and Above

A Whole New Immersive Sound Experience.

Enhance your home cinema sound with RAY DANZ. Innovative RAY DANZ technology creates an incredibly immersive, ultra wide sound stage. This also ensures a larger sweet spot, so you can enjoy amazing performance over a greater area. Get the most out of your entertainment experience, with sound that's powerful without compromising clarity. Enjoy clearer dialogue from the

sound bar's centre channel, tuned for optimal clarity. Make all your entertainment more dynamic with Dolby Atmos technology, bringing you multi-dimensional sound that delivers depth and excitement for a more cinematic experience. That also means big, powerful bass. The wireless subwoofer offers a clutter-free solution. No wires, just huge, ground-shaking bass.

Product Highlights

RAY DANZ Technology

Innovative RAY-DANZ technology creates a natural, immersive and wide sound stage and larger sweet spot.

Dolby Atmos

Make all your entertainment more dynamic with Dolby Atmos technology, bringing you multi-dimensional sound that brings depth and excitement for a more cinematic experience.

Clear Dialogue

Don't miss out on the conversation – enjoy clearer dialogue from the soundbar's centre channel, tuned for optimal clarity.

Wireless Subwoofer

Everything sounds better with big, powerful bass. This wireless subwoofer offers a clutter-free solution. No wires, just huge, ground-shaking bass.

Seamless Connectivity

Featuring Bluetooth connectivity, Apple Airplay, and Works with Google Assistant, casting your favourite music from your compatible smart device has never been so easy.
