Uniqueness

Air fry, grill and steam—all with the same appliance! Enjoy endless options for healthy cooking the whole family will love. All in a single machine that saves space in your kitchen.

Great cooking performance

Extra crisp technology

Extra crisp technology offers the perfect balance of temperature and hot air flow for crispy, golden results with little to no added oil—enjoy 99% less fat than a deep fryer!*

Grill technology

A die cast aluminum grid grill promises tender, juicy meat or veggies, seared to perfection right in your kitchen.

Steam technology

Preserve vitamins and nutrients of your ingredients, from tender fish to bright, tender vegetables bursting with nutrition. Its 1.1 L water tank offers up to 85 minutes of autonomy.

2x faster than an oven

52% faster than classic oven!** Save time in the kitchen thanks to combined cooking modes that don't require pre-heating (air fry and steam functions).

Easy to use & clean

7 automatic programs

Perfectly prepare a range of dishes, thanks to 7 automatic programs: 5 classic (Fries, Nuggets, Chicken, Vegetables, Dessert) and 2 smart programs automatically combined for you (Fish, Roasted Meat).

Convenient features

An intuitive digital control panel with a 60-minute timer and auto alert provides total convenience.

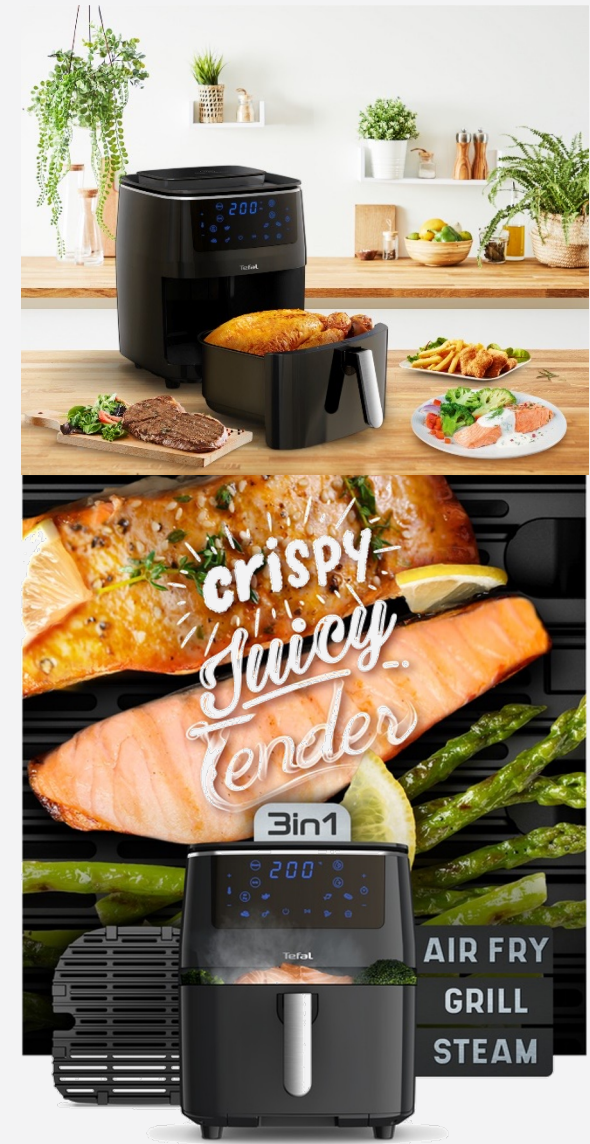

Adjustable temperature

High-precision temperature control from 80°C to 200°C promises perfect results every time, whatever the recipe!

XXL capacity

A generous 6.5L (1.6kg) capacity is perfect for preparing delicious meals for family and friends—up to 8 people.

*99% less added fat: 700 g of fresh fries cooked with 8 ml of oil vs traditional deep frying with 2 L
**External test carried out 1200 g of fries cooked compared to a Tefal convection oven)
