EASY FRY & GRILL XXL FLEXCOOK – EY801D

Easy Fry™ & Grill XXL Flexcook 2-IN-1 HEALTHY AIR FRYER

THE FIRST XXL AIR FRYER WITH UNIQUE GRILL PLATE & FLEXCOOK DUAL COOKING ZONES. 2 FOODS, READY AT THE SAME TIME!

Uniqueness

Unique FlexCook Sync Mode

FlexCook & Dual Cooking Zones:

Personalise the cooking space!
The divider transforms a single cooking area to dual cooking zones to cook a full meal at once. The Sync mode allows 2 cooking programs running simultaneously to prepare 2 meals at once, ready & enjoy at the same time!

XXL Capacity or Dual Zone Cooking

Great cooking performance

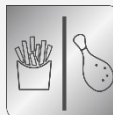

Extra crisp technology

Rapid air circulation offers the perfect balance of temperature and hot air flow for crispy, golden results.

Unique Smokeless Grill technology

A die cast aluminum grid grill promises tender, juicy meat or veggies, seared to perfection. Up to 98% less smoke than traditional grill***.

Personalise your cooking zone

Thanks to the removable divider and the smart Sync Mode, flexible cooking options with fast cooking results are possible.

Super fast heat up, with little to no added oil

Enjoy 99% less fat than a deep fryer!* Also little to no preheating time required, 57% faster than a conventional oven.

Easy to use & clean

8 automatic programs

Perfectly prepare a range of dishes, thanks to 8 automatic programs: Fries, nuggets, roasted chicken, pizza, meat, fish, vegetables, dessert

Digital touch panel & Removable parts dishwasher safe

An intuitive digital control panel and auto alert provides total convenience. All removable parts dishwasher safe

Adjustable temperature

High-precision temperature control from 40°C to 200°C promises perfect results every time and is also good for dehydration. A 60-minute timer, and up to 10 hours under dehydration mode (40°C)

Flexible & XXL capacity

A generous 6.5L or 2 x 3.25L capacity is perfect for preparing larger meals or 2 dishes ready at the same time - up to 8 portions.

* Up to 98% less smoke than a classical grill external test completed in 2021. Test based on beef steak of 150g, grill function, well cooked, compared to our TEFAL / T-FAL / MOULINEX classical grill

Personalised cooking space thanks to the divider

*99% less added fat: 700 g of fresh fries cooked with 8 ml of oil vs traditional deep frying with 2 L
**External test carried out 1200 g of fries cooked compared to a Tefal convection oven)
***External test completed in 2021. Test based on beef steak of 150g, grill function, well cooked, compared to our Tefal / T-Fal / Moulinex classical grill. The smoke emission depends on the quality and the type of ingredients used
