

50 bottle* dual zone cellaring & serving wine cabinet. *based on a Bordeaux shaped bottle
RRP AUS \$3,299.00

Product Details

FEATURES

LED internal lighting

Digital temperature display

Adjustable wooden shelves

Reversible door

Security lock

Triple glazed door, with anti-UV glass

Two separate zones

BENEFITS

Two Separate Zones

Ideal for keeping both reds and whites at perfect drinking temperatures. Set the top zone at 6 - 8 for white and Champagne, and the bottom at 16 - 18 for reds. Alternatively, the bottom compartment can be set at 12 - 14 for cellaring.

Stable Temperature

Our wine cabinets maintain a stable temperature to keep your wine in perfect cellaring conditions. This is thanks to triple glazed glass, insulated side panels and interactions between a compressor and thermostat. (Digital display varies by model)

UV Protected Dark Storage Area

UV rays negatively impact the quality of your wine. Our cabinets eliminate this threat by incorporating UV treated tinted glass doors, dark interiors and dimmed internal LED lights.

No Vibration

To protect the storage life and quality of your wine, our cabinets have been designed to create a vibration proof environment by including an externally housed compressor, rubber shock absorbers and vibration absorbing wooden shelves.

Specifications

WINE CELLARS

Domestic Warranty	2 years
Installation Type	Both
Finish	Seamless Stainless Steel
Door Type	Glass Door
Door Construction	Triple Glazed, UV treated
Handle	Recessed
Fridge door opening	Reversible
