50-bottle Dual-Zone wine cabinet which can be set for serving reds and whites at drinking temperatures OR cellaring and serving wines. *Capacity is based on 750mL Bordeaux bottle shape and size.

RRP AUS $3,199.00

Product Details

FEATURES

Store up to 50 Bordeaux Style Bottles
Maximum loading capacity is 50 bottles of Bordeaux shape and size (750ml).

Adjustable/Repositionable Shelves
Reverse the top shelf to store wines in the upright position. This top shelf is located just under the display shelf and it has a flat side to accommodate standing bottles.

Triple-Glazed Door with Anti-UV Glass
The triple-glazed door with anti-UV glass ensures protection from UV rays and prevents your wine spoiling due to light damage. It creates the optimal environment for your wine's maturation.

LED Digital Display Panel
Intuitive and minimal touch control panel. Elegant and easy-to-use, by design.

Humidity Recycling System
High humidity levels are maintained in the wine cabinet when set at cellaring temperature (12-14C), preventing corks from drying out.

Security Lock
Child-proof lock your cabinet to avoid unauthorized access to your collection.

Reversible Door
Reverse the door to optimize access to your wine cabinet.

BENEFITS

Dual-Zone For Serving Reds and Whites, or Cellaring & Serving
The Dual-Zone wine cabinets are ideal for keeping wines red, white and/or sparkling at optimal respective drinking temperatures. Set one independent zone at 6-13 for sparkling or white wines, and the other at 15-18 for reds. Alternatively, keep one or both zones at cellaring temperature (12) to mature wines steadily.

Access to OENO Virtual Cellar Management App
OENO By Vintec is your virtual cellar management tool and personal sommelier, powered by Vivino. It allows wine lovers to keep track of their collection effortlessly, access expert recommendations created by a team of sommeliers, and restock wines. Our partnership with Vivino enables OENO users to use AI label recognition with access to a database of more than 13 million wines, and receive exclusive wine offers to build up your collection and restock your Vintec.

Peace of Mind with The Vintec 5 Pillars Of Wine Storage
All Vintec Wine Cabinets recreate the ideal wine storage conditions found only in the best natural underground wine cellars by strictly adhering to the "Vintec 5 Pillars of Wine Storage": Stable Temperature, High Humidity, UV-Free / Dark Storage Area, No Vibration, Quality Airflow. *Note: high humidity levels are maintained in the cabinet when set at cellaring temperature (12-14 degrees celsius).

Silver Status at The Vintec Club
The Vintec Club is a private club for owners of Vintec wine cellars, fully focused on content and experiences around wine. Owning a Vintec cellar is the key to accessing exclusive wine industry benefits and services, and receiving invitations to unique wine dinners and tastings in different locations around the world in the company of celebrated winemakers and sommeliers. This Vintec cellar will entitle you to become Silver status member of the club. Find out more at vintecclub.com

Natural Beechwood Wooden Shelves
Designed for wine, the Vintec natural and unvarnished Beechwood shelves support neck-to-neck horizontal placement of bottles (bottles lying down) and minimize any vibrations to protect your wines.

Flexible Installation: Free-Standing or Built-Under
This Vintec unit can be free-standing OR built under a kitchen or bar counter for a more integrated look within a home or restaurant.

Borderless Black Glass Finish
Borderless Black Glass covers the full surface of the door, with no protruding handles, offering a seamless feel and an elegant finish, and stunning way to showcase your wine collection.

Top Crystal White LED Lighting
Our energy-efficient, UV-free LED lighting provides great visibility of your wines while keeping them safe from damaging UV-light.

Sleek Touch-Sensitive Control Panel
Configure your dual zone wine cabinet temperature and lighting with ease with the intuitive and minimal touch control panel.

Vintec Repositionable Shelving
Store your collection with our repositionable, Beechwood shelving. The Vintec Repositionable Shelving is designed to accommodate bottles neck-to-neck and lying down, for short or long-term storage, and to be easily removed and repositioned so you can accommodate larger bottles and/or stack bottles to maximize capacity.
