

50-bottle Single-Zone wine cabinet which can be set for cellaring all wines OR serving red or white wines at drinking temperatures. *Capacity is based on 750mL Bordeaux bottle shape and size.

Product Details

FEATURES

Store up to 50 Bordeaux Style Bottles Maximum loading capacity is 50 bottles of Bordeaux shape and size (750ml).	Adjustable/Repositionable Shelves Reverse the top shelf to store wines in the upright position. This top shelf is located just under the display shelf and it has a flat side to accommodate standing bottles.	Triple-Glazed Door with Anti-UV Glass The triple-glazed door with anti-UV glass ensures protection from UV rays and prevents your wine spoiling due to light damage. It creates the optimal environment for your wine's maturation.	LED Digital Display Panel Intuitive and minimal touch control panel. Elegant and easy-to-use, by design.
---	---	--	---

Humidity Recycling System High humidity level is maintained in the cabinet during cellaring, preventing corks from drying out.	Security Lock Child-proof lock your cabinet to avoid unauthorized access to your collection.	Reversible Door Reverse the door to optimize access to your wine cabinet.

BENEFITS

Single-Zone For Cellaring or Serving
Since all wines red, white and sparkling cellar at the same temperature (12 degrees celsius), the Single- Zone wine cabinets are ideal for storing and cellaring for the short or long-term. The Single-Zone can also be used for storing wines at drinking temperatures : 6-8 degrees celsius for sparkling, 8-13 degrees celsius for whites, 15-18 degrees celsius for reds.

Access to OENO Virtual Cellar Management App
OENO By Vintec is your virtual cellar management tool and personal sommelier, powered by Vivino. It allows wine lovers to keep track of their collection effortlessly, access expert recommendations created by a team of sommeliers, and restock wines. Our partnership with Vivino enables OENO users to use AI label recognition with access to a database of more than 13 million wines, and receive exclusive wine offers to build up your collection and restock your Vintec.

Peace of Mind with The Vintec 5 Pillars Of Wine Storage
All Vintec Wine Cabinets recreate the ideal wine storage conditions found only in the best natural underground wine cellars by strictly adhering to the "Vintec 5 Pillars of Wine Storage": Stable Temperature, High Humidity, UV-Free / Dark Storage Area, No Vibration, Quality Airflow. *Note: high humidity levels are maintained in the cabinet when set at cellaring temperature (12-14 degrees celsius).

Silver Status at The Vintec Club

The Vintec Club is a private club for owners of Vintec wine cellars, fully focused on content and experiences around wine. Owning a Vintec cellar is the key to accessing exclusive wine industry benefits and services, and receiving invitations to unique wine dinners and tastings in different locations around the world in the company of celebrated winemakers and sommeliers. This Vintec cellar will entitle you to become Silver status member of the club. Find out more at vintecclub.com

Natural Beechwood Wooden Shelves

Designed for wine, the Vintec natural and unvarnished Beechwood shelves support neck-to-neck horizontal placement of bottles (bottles lying down) and minimize any vibrations to protect your wines.

Borderless Black Glass Finish

Borderless Black Glass covers the full surface of the door, with no protruding handles, offering a seamless feel and an elegant finish, and stunning way to showcase your wine collection.

Top Crystal White LED Lighting

Our energy-efficient, UV-free LED lighting provides great visibility of your wines while keeping them safe from damaging UV-light.

Sleek Touch-Sensitive Control Panel

Configure your single zone wine cabinet temperature and lighting with ease with the intuitive and minimal touch control panel.

Flexible Installation: Free-Standing or Built-Under

This Vintec unit can be free-standing OR built under a kitchen or bar counter for a more integrated look within a home or restaurant.

Vintec Repositionable Shelving

Store your collection with our repositionable, Beechwood shelving. The Vintec Repositionable Shelving is designed to accommodate bottles neck-to-neck and lying down, for short or long-term storage, and to be easily removed and repositioned so you can accommodate larger bottles and/or stack bottles to maximize capacity.
