Tastier baking starts with steam
Take your baking to the next level with our Easy Bake + Steam function. Steam helps you get a better rise, crispier crust, a fluffier centre and tastier textures for all your bread, pastries, cakes, and puddings.

Cleaning is a breeze with steam
A 30-minute light oven cleaning that's chemical free. Just add water and vinegar, turn on the steam cycle and wait until grime is softened and loosened. Grab a cloth, some detergent and wipe. Your oven is clean again. Easy.

Cooler to touch oven doors
Beautifully designed with Australian families in mind, the multi-layer glazing of our oven doors are cooler to the touch when the oven is hot.

Designed for ease and safety
Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking.
