Highlights

DualCut technology

Enjoy maximum precision with DualCut technology, which includes 2x more blades. The steel blades lightly brush against one another – sharpening themselves as they work. This results in blades that are sharp as day 1 after 5 years of use.

12 tools for face, hair & body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

Metal trimmer

Use the metal trimmer with DualCut technology without a comb to get clean, sharp lines around your beard, neck and hairline, or to trim your body hair to a minimum length.

Precision shaver

Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

Detail metal trimmer

Create fine lines, contours and details with precision, to define or change your style.

Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

8 Impact-resistant combs

2 stubble combs (1,2 mm), 1 adjustable beard comb (3-7 mm), 3 hair combs (9,12,16 mm) and 2 body combs (3,5 mm).

Up to 120 minute run time

The high-performance Lithium-Ion battery delivers up to 120 minutes of run time per every 1-hour full charge. A 5-minute quick charge delivers one full trim.

No-slip rubber grip

High-quality rubber handle for superior comfort and control while trimming.
