## 82 L Gross Capacity Multifunction Built-in Oven

**Multifunctional Cooking** - Bake perfect cupcakes, roast a delicious Sunday dinner or use the grill to make a hearty but healthy breakfast. A multi-function oven provides you with the ultimate in cooking flexibility by combining a fan and conventional oven, a grill and a host of different cooking functions.

**Large Capacity** - We understand how busy your home life can get and how important it is to be able to cook more food in one go. Our large capacity ovens come in a huge 82 litres gross capacity, so you can cook everything you need for your family & friends.

**Easy Clean Interior** - Offering an easy cleaning solution, the interior back has catalytic liners, absorbing grease & dirt. Cleaning your oven's door is easier than ever with the easy-to-remove inner glass door. Free of bolts, you can comfortably slide the glass door out to help you clean even those hard-to-reach spots.

**Telescopic Shelf System** - Move heavy dishes in and out of your oven comfortably and safely thanks to our fully extendable telescopic wire shelves. The full extension telescopic shelf comes out of the oven completely - for maximum ease. Partial telescopic shelves come 2/3 of the way out.

**Plug & Go** - Simply plug in your oven to any standard power point and start cooking. No need for an electrician to install it for you.
