7.5 kg Wash/ 4 kg Dry Washer Dryer Combo with IonGuard™

Wash & Wear™ Program - Helping you save time with your everyday washing and drying needs, this handy programme means you can wash and dry up to 5 shirts in just 60 minutes or 2 shirts in 40 minutes.

Space Saving - thanks to a slimmer machine with an expanded drum that adds 10% space saving without compromising capacity of the machine means you get more space in your laundry.

IonGuard™ Technology - Enjoy fresh and odour-free clothes with IonGuard® technology. Odour-neutralising ions deal with unwanted smells caused by the humidity in the drum, keeping it fresh and ready for your next load.

Refresh Program - the Refresh program (powered by Beko IonGuard® technology) means you can refresh up to 1kg of clothes in only 30 minutes.

AntiCrease+ Function - Perfect for when you can't unload your laundry right away, you can programme your washer dryer in advance to reduce creases and eliminate bad odours at the end of a cycle.
