60 cm Induction 4 Zone Direct Access Premium Cooktop including Indyflex™ Zone

Direct Access Premium Control - Giving you complete control and flexibility in the kitchen, touch controls for each cooking zone allow you to adjust the heat level of your pots and pans separately, at the simple touch of a button. The Premium design means the zones and controls only light up when you turn it on so your kitchen stays sleek and stylish.

IndyFlex™ Zone - Merge two zones together at the touch of a button. Great for when you need to use a larger pan, you can easily merge two cooking zones together thanks to IndyFlex™ technology in our induction cooktop.

Automatic Cooking Functions - With the Automatic Functions from Beko you can choose from Fry, Simmer and Keep Warm settings, to cook all parts of your meal perfectly with just one button.

Booster Function - Helping you save time, use the booster function to set the cooking zone to its maximum power, reaching the highest temperature quickly and efficiently.

Stop & Go Function - Beko Stop & Go™ technology lets you turn off all zones on the cooktop with the touch of a button and then back on again to exactly where they were. So when the phone rings or the doorbell goes you won't ruin your dinner.
