

# MultiReach Ion XL 36V | 2166F

A lightweight, cordless vacuum for a powerful cleaning that lasts!

A powerful clean is available in a lightweight, cordless vacuum. The MultiReach Ion XL Lightweight Cordless Vacuum is an easy-to-use cordless vacuum with a removable hand vacuum. With the powerful 36V Li-Ion battery, you get up to 95 minutes of run time, and 50% larger capacity\* so you can clean little messes or full rooms. Remove the hand vacuum for quick clean-up or for above-floor surfaces. EdgeReach Technology delivers powerful suction to the edges of the vacuum foot to capture dirt and debris even from corners.

- New Clean Turn™ Filter Technology
- Low Profile Foot with Motorized Brush Roll - Maneuver around furniture and under cabinets to easily clean in hard-to-reach places
- Easy Brush Roll Removal helps make removing the brush roll simple for cleaning or replacement
- Up to 95 minutes of continuous cordless power and rapid charge technology
- EdgeREACH™ technology maximizes suction power for edge to edge cleaning
- 2-Way Folding Handle for easy cleaning in hard to reach areas and compact storage
- Soft Touch Handle Grip with Finger-tip Switches - Comfortably clean your home with the touch of a button
