

- 2400W power output
- The world's first FreeGlide 3D soleplate – extraordinary glideability and no more getting caught on buttons and pockets
- 2x harder than stainless steel, the EloxalPlus coating helps to keep the soleplate resistant to both oxidation and scratches
- iCare mode – easy setting to iron all fabrics; no pre-sorting needed
- Steam shot up to 230 g/min, even vertically – perfect for removing stubborn creases in curtains and garments
- Anti-drip system ensures no leakage, even when ironing at low temperatures
- Auto shut-off after 8 mins in vertical position or 1 min in horizontal position for safety and energy saving
- Large water tank opening for faster and more convenient refilling
