the Toast & Melt 4 Slice

Product Description:

For up to four hungry souls, be they craving cheese on toast, or cheese in toast, the Toast & Melt 4 slice sandwich press gets it right.

The Toast & Melt's floating hinge remains flat on the bread, no matter how thick the sandwich, for evenly crispy results. Simply adjust the top plate to one of four fixed height settings and 'voila'. The bottom plate makes contact to cook, while the top plate sits slightly above to melt cheese on to the bread. Crispy open melt sandwiches without the mess, and big enough for the whole family.

May we propose a toast? And a melt.

Product Technical Specs:

- Adjustable height control
- 4 slice capacity
- Floating hinged top plate
- Flat non stick cooking plates
- **APN Number:** 9312432012874
