Allergy filter

Dustspotter LED lights

Self standing

Lithium TurboPower

Crevice tool and dusting
brush

BENEFITS

Ultimate 2-in-1 flexibility

With Ergorapido there is no limit to where you can clean. Its flexible 2-in-1 design with a detachable handheld unit lets you clean areas above the floor such as countertops, furniture and hard to reach places.

Easy to use

The 180-degree swivel nozzle means smooth turning and manoeuvrability on all floors. With an ergonomic design and low centre of gravity, this lightweight vacuum cleaner is very easy to use.

Allergy filter

Captures up to 99.99%* of micro dust to leave your home feeling cleaner than ever and endorsed by the British Allergy Foundation.*Based 1-3 micron particale size. Measured by IBR laboratories on 19/01/2017.

BrushRollClean™ technology

Our unique BrushRollClean™ technology saves you the trouble of having to clean the brush roll with your hands or scissors. An internal blade removes entwined hairs and fibres before they are vacuumed into the dust cup, all with the push of a button.

Lithium TurboPower

The new generation of Ergorapido features high performance Lithium HD TurboPower battery for optimal cleaning performance and longer run time (up to 48 minutes). The LED battery indicator shows when its time to recharge.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This appliance is warranted against manufacturing defects in Australia and New Zealand for 24 months following the date of original purchase of the Appliance, where the Appliance is used for personal, domestic or household use (i.e. normal single family use) as set out in the instruction manual. Where the Appliance and accessories (including nozzles, brushes or other cleaning attachments) are used for commercial purposes, the Appliance will then be warranted against manufacturing defects in Australia for 3 months and in New Zealand for 3 months, following the date of original purchase of the Appliance.
