

CE604CBX2

60cm 4 Element Electric Ceramic Cooktop

Fisher & Paykels ceramic cooktops provide a completely flat profile. This allows you to move pots and pans around the hob simply and quickly whilst providing extra storage space when it is not in use. High speed ribbon elements heat up quickly and maintain an even temperature for faster cooking while the stylish dark ceramic glass surface is a breeze to clean.

Features & Benefits

Even Heating
Powerful ribbon elements heat up quickly and create an even distribution of heat for perfect results whether you're searing meat or simmering sauces.

Easy to Clean
With its strong ceramic surface, your electric cooktop is designed to look shiny and new for years to come. It just needs a quick wipe after cooking – saving you time in the kitchen.

Safe and Sound
Once your cooktop is turned off, the elements glow until the surface is safe to touch.

Sized to Suit
Fisher & Paykel electric cooktops come in a range of sizes to suit every kind of kitchen. Because they're perfectly flat and cool down fast, they can be used as an extension of your preparation surface when they're switched off.

Simple to Use
Classic dial controls make this cooktop a breeze to use. No complicated buttons or switches – just turn your dial to the desired temperature and you're ready to cook.

Designed to Match
The electric ceramic series is designed to match the rest of Fisher & Paykel's kitchen appliance family, with a stylish frameless design, sleek ceramic glass surface and intuitive controls.
