

Split System Inverter Reverse Cycle air conditioner featuring wireless connectivity, DC fan motor with 12 fan speeds, concealed dimmable digital display, HEPA and ion filters, auto swing (up, down), LCD remote, DRED capable. 2.5kW cooling/3.2kW heating capacity & with 5.0 Energy Star Rating
RRP AUS \$899.00

Product Details

FEATURES

Kelvinator Connect
Wireless connectivity.

Heating and cooling modes of
operation
Provides year round comfort

Auto or Manual operation
Easy to set and forget or
retain full user control

LCD backlit wireless remote
control
Easy access to all
functionality combined with a
large easy screen backlit to
be clearly readable in all
lighting conditions

Follow Me command
Measures and controls the
temperature where you are
for personal comfort

24 hour timer
Program your air conditioner
to turn on and off
automatically

Auto restart
In the event of an interruption
in power supply the unit will
restart with the same settings
that were selected prior to the
power outage

Inverter compressor
technology
Electronic compressor control
for maximum energy
efficiency and minimum
noise

5 year parts and labour
warranty

Auto Air Swing
Air can be automatically
directed up and down to
distribute cooling or heating
evenly

Sleep mode
Sleep mode automatically
adjusts the temperature while
you sleep for maximum
comfort and minimum energy
consumption

BENEFITS

Comfort & convenience at the touch of your hands
Kelvinator Connect allows you to be smarter with your heating and cooling needs from any location with your smart device via the Kelvinator Home Comfort App. At your convenience, turn the unit on or off, change temperatures, control modes and adapt fan speeds to best meet your comfort needs.

Peace of mind
The additional Bio-HEPA and ion filtration is the ideal way to purify, sterilise and deodorise the air in your living areas

Superior comfort and control

With DC inverter technology you'll enjoy greater comfort, control and energy efficiency all year round

Easy to use

One touch climate control is at your fingertips with a simple-to-use remote control

Easy to clean

The contemporary clean-face fascia not only looks good, it also minimises dust build-up on the front of the unit. Slim and compact, these air-conditioners are unobtrusive and will suit any interior style

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
