

SAMSUNG

Series 4 HW-R450 Soundbar

Elevate your sound with powerful bass.

Innovative acoustic technologies from Samsung's Audio Lab provide a premium sound quality using audio technical expertise to help you get a cinematic, high quality audio experience in your home.

Top Features

Game Mode

Game Mode provides a more directional, immersive sound mode specifically for gaming so you get to level up your gaming experience.*

Smart Sound Mode

Automatically adapts the EQ to what you're watching to help you get an optimised sound experience.

One Remote Control

Control your soundbar using your Samsung TV remote, including equaliser and sound settings via the TV's Smart Hub, so you only need One Remote Control for your entire home entertainment setup.^

Wireless Surround Sound Ready

Optional wireless rear speakers (sold separately) so you can surround yourself in sound.~

*Compared to Samsung TV speakers. Sound effect may vary depending on environmental characteristics (including ceiling). This feature is supported only on selected 2019 Samsung TVs (RU8000 and above) and game consoles (PS4/Pro & Xbox One X/S) connected via HDMI. Compatibility subject to change.

^Compatible with selected Samsung TVs. Refer to www.samsung.com/au/oneremote for list of compatible devices. Apps and services are subject to change without notice. Internet connection required. Data, subscription and other charges may apply.

~Sold separately. Mains power connection required.
